

XXII INBOUND TRADE MISSION FROM DOMINICAN REPUBLIC TO FLORIDA

CITY OF DORAL, MIAMI-DADE COUNTY
CITY OF TAMPA, HILLSBOROUGH COUNTY

APRIL 7 - 11, 2019

On April 7th through the 11th, 2019, the Florida Foreign Trade Association (FFTA) in partnership with Enterprise Florida together with the American Chamber of Commerce in Dominican Republic (AMCHAM DR) with support of several governmental and private organizations welcomed a Dominican Republic Business Delegation seeking to meet with qualified suppliers in the State of Florida. Pre-scheduled business matchmaking appointments were scheduled in the City of Doral, Miami-Dade County and at the Port of Tampa, Hillsborough County.

TRADE-USA DR 2019 Delegation led by AMCHAM DR representatives: Ms. Cristela Compress, Manager of Commercial Services and Membership and Ms. Sharine De Marchena, Coordinator of Commercial Services consisted of the following DR companies: 3C Inmobiliaria SRL, Caribbean Connections, Ciprian Controles SRL (CICOESA), Confort Industrial EIRL, Funeraria Romana, Jasser Agroimportadora SRL, Levapan Dominicana SA (J.Borrell), Melissa Vegana, and Haina International Terminals.

DR delegates arrived at the Miami International Airport on Sunday, April 7th; they participated in a welcoming briefing and were able to touring the city and shopping, before 3-full days of business activities.

American Chamber of Commerce (AMCHAM) DR LOGISTICS & CARGO MISSION

June 2 - 6, 2019

JW Marriot Hotel ♦ 1109 Brickell Avenue | Miami, Florida 33131

The Florida Foreign Trade Association, in partnership with the American Chamber of Commerce DR along with the Commercial Service of the US Embassy in Dominican Republic hosted an incoming business Logistics Mission on Cargo Security and Best Service Practices from the 2nd to the 6th of June, 2019 consisting of 16 executives. The objective of this mission was to learn the best service practices to handle cargo southbound and northbound complying with authorities.

Following the successful trade records between the State of Florida and the Dominican Republic during the past years, we feel that this trade mission will continue improving the future statistics of cargo to benefiting international trade relations.

The Dominican Republic Delegation participated in a series of activities, including tours and presentations from the key organization in the international cargo and business arena and several federal agencies with updates on recent and old regulations for effective movement of cargo. We thank our supporters and sponsors: Enterprise Florida, Port Everglades, Port of Miami, Miami International Airport, Crowley, Seaboard Marine, Amazon Fulfillment Center, Miami-Dade County Development and International Trade Office, Broward County Economic Development Office, Broward County Greater Fort Lauderdale Alliance, Broward County Foreign Trade Zone, Savino Del Bene USA, Inc., Gray | Robinson Law Firm, CEIRD, Trade Commissioner of DR in Miami, Interport, Pomtoc, USDA APHIS PPQ, Greater Caribbean Safeguarding Initiative, Animal and Plant Health Inspection Service at Ports and Airports, US Customs Border and Protection (CBP) Ports and Airports, US Food and Drug Administration (FDA) Office of Regulatory Affairs (OCPM), Federal Maritime Commission (FMC). Besides, delegates participated in the U.S. Caribbean Business Conference 2019. We thank Hon. Jose “Pepe” Diaz, Miami-Dade County Commissioner and Mr. Manny Gonzalez, Chief, Office of Economic Development and International Trade, Miami-Dade County Department of Regulatory and Economic Resources for their contribution and support to present Distinguished Visitors Certificates to the Dominican Delegates.

Miami Plant Inspection Station A Year In Review FY 2018

Mission Statement

To safeguard American agriculture by regulating the entry of propagative materials such as; live plants, plant propagules, and seeds to prevent the introduction or establishment of exotic pests and diseases. To expeditiously provide the highest level of taxonomic identification services, professionally monitor treatments and conduct phytosanitary certifications to facilitate safe global trade.

Miami Plant Inspection Station Core Functions

- Regulate Propagative Material/Seeds
- Inspect and Issue Phytosanitary Certificates for export
- Monitor Methyl Bromide (MB) treatments
- Supervise reconditioning and restacking
- Provide taxonomic services (pest identification)
- Validate Cites (Convention of International Trade and Endangered Species) documents for export
- Smuggling Introduction and Trade Compliance
- Compliance (Regulated Garbage and Agreements)

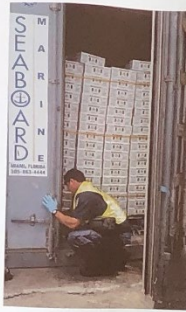

Procedimiento-Inspección Agrícola

- Paso 2- Inspección
 - Los contenedores previamente retenidos son inspeccionados específicamente buscando productos prohibidos y/o plagas como insectos, semillas, o enfermedades patológicas.

The Florida Foreign Trade Association appreciates the participation of Mr. Carlos Guerra, Manager, International Trade and Development of Enterprise Florida at Prologitec 2019. Mr. Guerra met with representatives of important organizations that promote international trade and commerce in Ecuador. FFTA represented by Gisella Bustillos-Wong, Econ. Carolina Vinueza, Econ. Ana Maria Vinueza and Mr. Carlos Guerra met with CORPEI, AMCHAM Guayaquil, Chamber of Commerce of Guayaquil, Chamber of Industries of Guayaquil, Chamber of Small Industries of Guayaquil, and the U.S. Consulate in Guayaquil with the purpose of presenting the boundless opportunities of the State of Florida.

Also, FFTA and Enterprise Florida held a seminar/presentation to students of the University of Carchi and the general public with topics on import and export procedures in the USA and the advantages and opportunities of the State of Florida as the hub for their international logistics and purchasing needs and investments.

FFTA thanks Ms. Raquel Castillo, Esq. of Castillo-Mina Law Offices, PLLC for her trade mission participation and assistance with Amcham Guayaquil, Mr. Vicente Pimienta, CEO of Digisults, LLC and Miami Digital Coach of GOOGLE who as speaker and trade mission participant at Prologitec Summit & Expo provided an instrumental coaching presentation for small and medium-size businesses to growth successfully in the future. Sponsored by Enterprise Florida, the following Florida companies had the opportunity to exhibit and meet with potential partners: VMA Logistics/Atlas, Val Transport Inc., Terrazo & Tile LLC, and visitors received US international trade statistics published by WorldCity Trade Numbers and information about training opportunities by FIBA and FFTA.
