The **United States** is the Dominican Republic's largest trading partner, with significant bi-lateral trade in goods and services, especially since the CAFTA-DR agreement. The country serves as a key hub for US Importers and Exporters, offering 30 routes to and from the USA and access to Latin America and the Caribbean markets.

The Dominican Republic has become a top nearshoring destination for US Manufacturers and ranks as the foremost choice for foreign investment and tourism in Central America and the Caribbean. Enjoys the benefits of the trade agreements with the USA (CAFTA-DR), EU, UK, Central America, and the Caribbean.
